## *A Night to Remember*

Dear Students,

I, Officer Crystina Burt, on behalf of the female officers of the Sayreville Police Department and Local PBA 98 would like to introduce you to our program "A Night to Remember". This is our second year running this program and we look forward to making this a great experience just as last year. The program's objective is to assist any student who may be in need of assistance for prom, due to financial hardship. This program will cover most prom expenses at no cost to the student. Our mission is to inspire, uplift, and provide the best prom night of a lifetime.

As you prepare for prom, graduation, college, and other happy events, I would like to take this opportunity to congratulate you on all your hard work and effort you have put forward this year. With so many challenges faced throughout the school year, prom season for Sayreville War Memorial High School Senior Class of 2024, is just months away.

Any female student who is interested in being considered for this program will need to submit a letter explaining why you should be chosen as a candidate. As part of the prom bid selection process, you will submit your letters to the school counseling office. The deadline to submit your letter is March 15, 2024.

Sincerely,  
Officer Burt
